

# MARKET SOUNDING CONFERENCE

## Jakarta Metropolitan MRT East-West Line Phase 1 - Stage 1 Project

PT MRT Jakarta (Perseroda), with the support of the Government of Indonesia and development partners, invites all interested international and domestic contractors to participate in a Market Sounding Event for the upcoming contract packages of the Jakarta Metropolitan Mass Rapid Transit East-West Line Phase 1, Stage 1 Project.

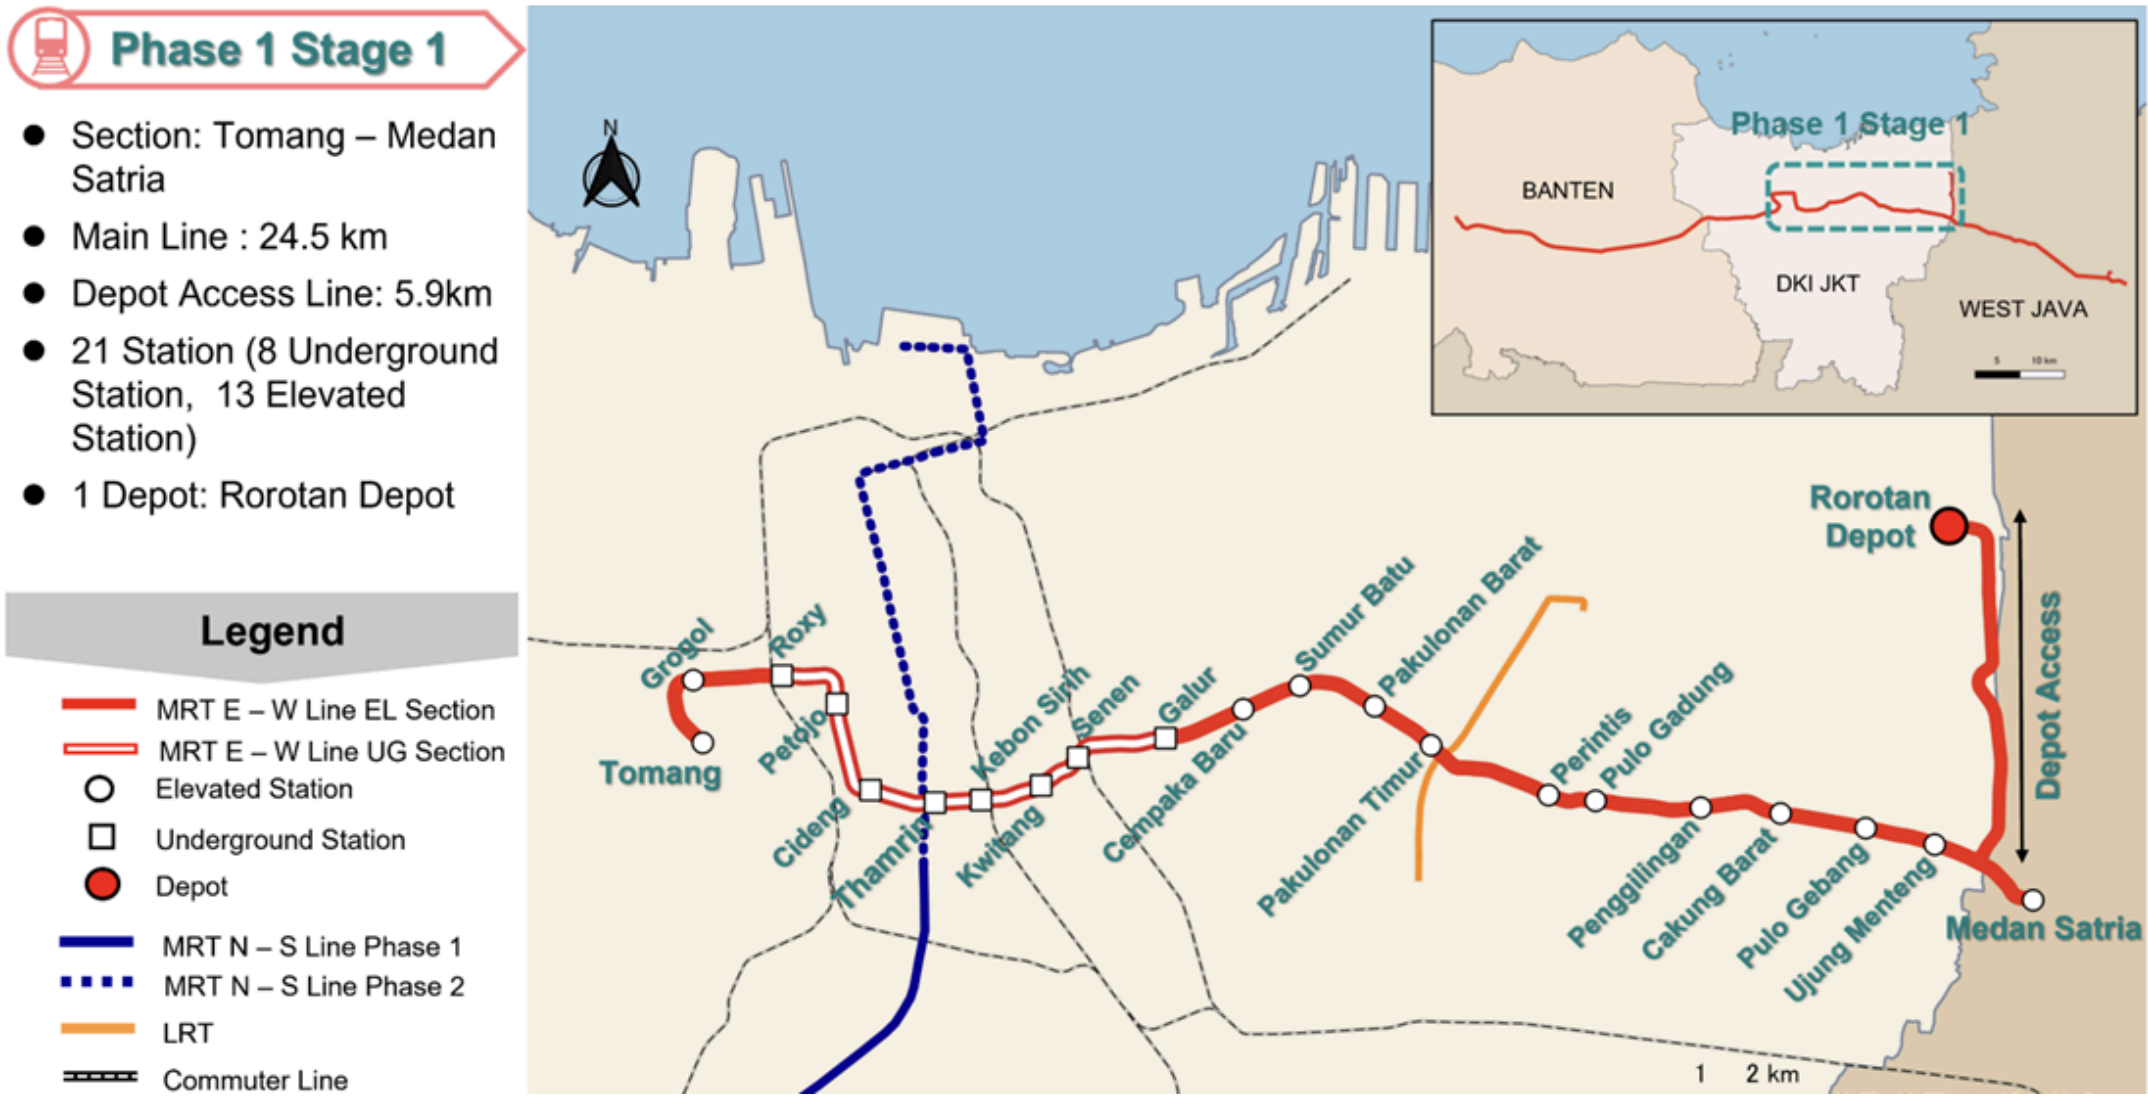

The Asian Development Bank (ADB) and Japan International Corporation Agency (JICA) intend to provide loans for the first phase of the proposed Project.

### Project Overview

The Project involves the development of a mass rapid transit (MRT) with approximately 24.5 km Main Line from Tomang Station to Medan Satria Station consisting of 8 underground stations and 13 elevated stations and a Main Depot Facility at Rorotan including a 5.9 km Depot Access Line from Ujung Menteng Station, aimed to meet the increasing transportation demand and enhance public transportation in the Jakarta metropolitan area.

JICA will finance the civil works for the underground section from Grogol to Cempaka Baru for 8.6 km, 8 underground stations, elevated depot access, system components, track works and rolling stocks. ADB will finance civil works for the elevated sections between Tomang and Grogol and between Cempaka Baru and Medan Satria, totaling 15.9 km, including 13 elevated stations along these sections.

## OBJECTIVES

- ✓ Provide an overview of the project scope, procurement strategy, and anticipated packages (underground civil works, elevated civil works, depot and depot access line, railway systems and trackwork, and rolling stock);
- ✓ Provide further information on the depot and depot access line package, together with first civil underground packages, which are designated as the first priority to be tendered under the JICA Step Loan;
- ✓ Gather feedback from industry participants on market capacity, technical and administrative/qualification considerations, and procurement approaches, among others;
- ✓ Promote fair and open competition in line with international development partners (JICA and ADB) procurement principles.
