## CONFERENCE

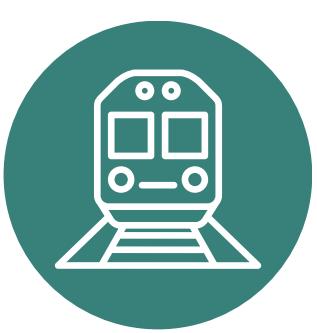

### Jakarta Metropolitan MRT East-West Line Phase 1 - Stage 1 Project

PT MRT Jakarta (Perseroda), with the support of the Government of Indonesia and development partners, invites all interested international and domestic bidders to participate in a Market Sounding Event related to the Jakarta Metropolitan Mass Rapid Transit East-West Line Phase 1 Stage 1 Project.

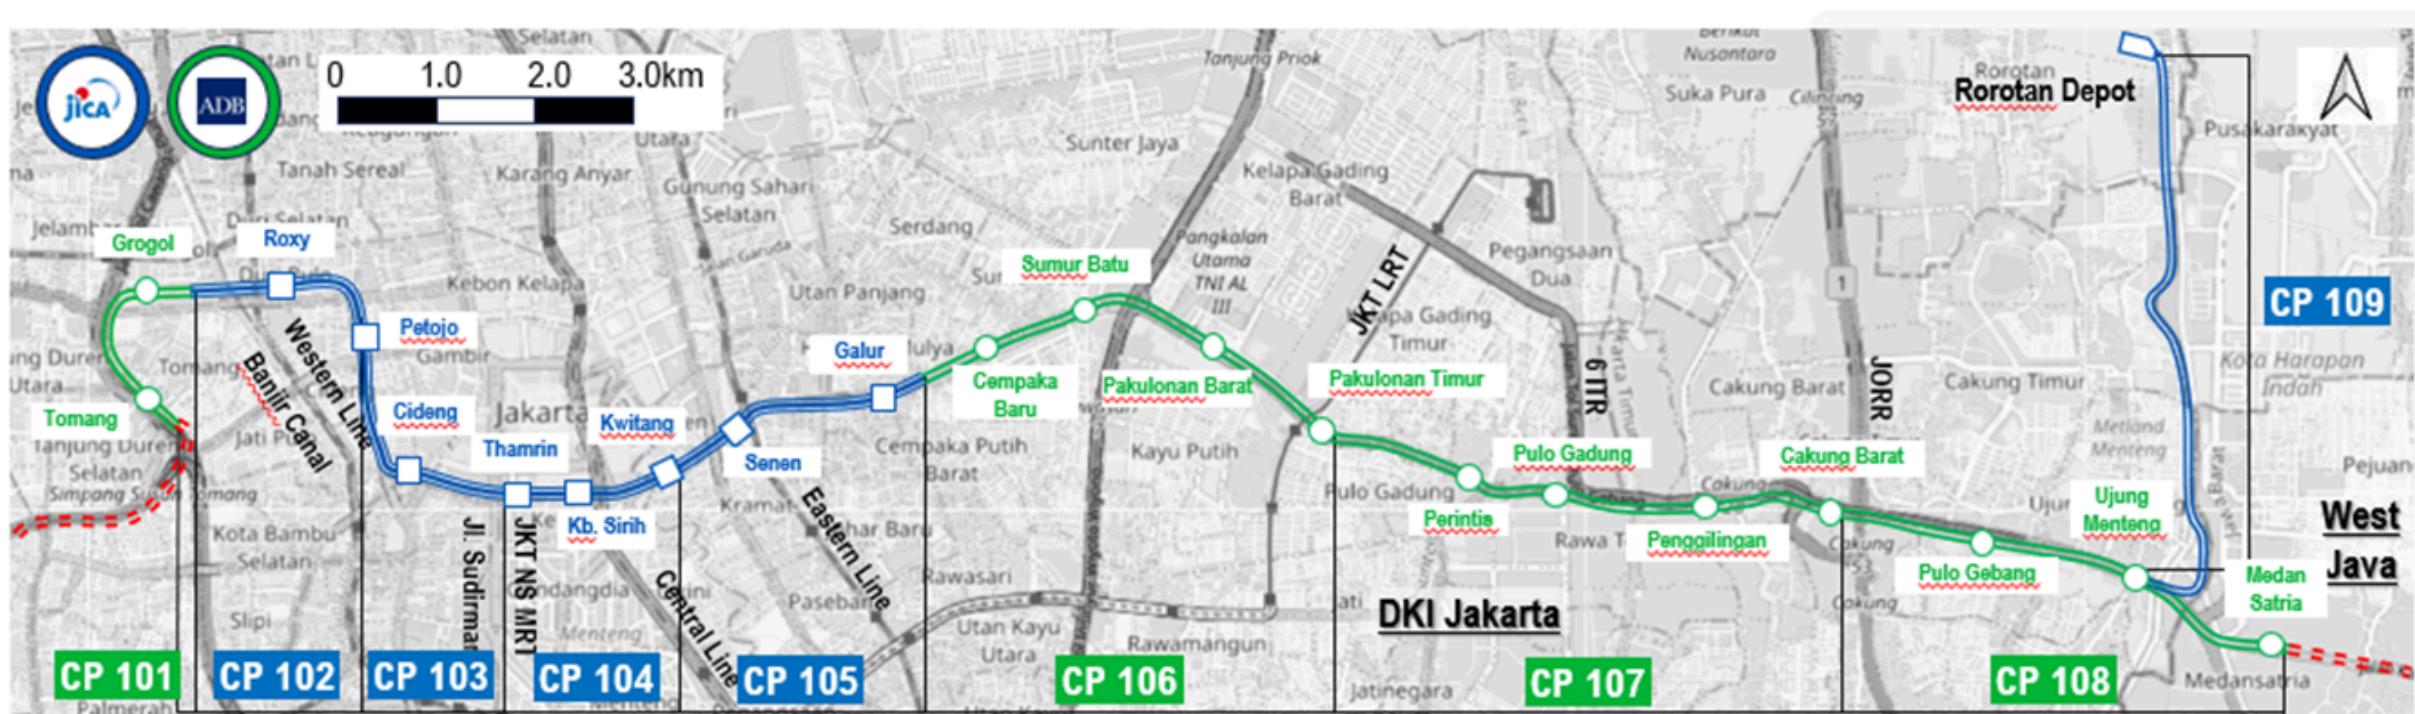

Jakarta Metropolitan Mass Rapid Transit East-West Line Phase 1 Stage 1 Project is intended to be jointly financed by the Asian Development Bank (ADB), Japan International Corporation Agency (JICA) and the Government of Indonesia.

This Market Sounding Event specifically focused on the scope financed by the ADB.

#### Project Overview

The Project involves the development of a mass rapid transit (MRT) with approximately 24.5 km Main Line from Tomang Station to Medan Satria Station consisting of 8 underground stations and 13 elevated stations and a Main Depot Facility at Rorotan including a 5.9 km Depot Access Line from Ujung Menteng Station, aimed to meet the increasing transportation demand and enhance public transportation in the Jakarta metropolitan area.
